

Arrival Checklist — On-Site at Client Home

The Cleaning CEO Blueprint — 100% Cleaner Academy
100% Cleaner

Field	Details
Client Name	
Service Address	
Date	
Cleaner Name	
Scheduled Time	
Actual Arrival Time	

Before Entering

- ☐ Parked legally and respectfully (not blocking driveway or mailbox)
- ☐ Arrived within agreed service window
- ☐ Texted or called client if running more than 10 minutes late
- ☐ Reviewed job notes, access code, and special instructions
- ☐ Uniform presentable; supplies ready to unload efficiently

Entry & First Impressions

- ☐ Greeted client professionally (if home) or followed silent-entry protocol
- ☐ Shoe covers on OR indoor shoes per client preference
- ☐ Confirmed scope of work matches booking (rooms, add-ons, exclusions)
- ☐ Asked about any changes since last visit or new areas of concern
- ☐ Confirmed pet status and safety (crated, friendly, areas to avoid)
- ☐ Confirmed product sensitivities or "no scent" requests

Home Walkthrough & Setup

- ☐ Quick walkthrough of home to identify priority areas

- ☐ Noted any pre-existing damage or concerns (photo if needed)
- ☐ Confirmed which rooms are in scope and which are off-limits
- ☐ Located electrical outlets, water source, and trash disposal
- ☐ Supplies staged in one area — not spread across the home
- ☐ "Cleaning in progress" sign placed if company provides one

Documentation — Before Photos

- ☐ Before photos taken per company SOP (see Photo Checklist)
- ☐ Clock in / job started logged in app
- ☐ Any access issues or scope changes reported to manager immediately

Ready to Clean

- ☐ Work plan set — start with driest rooms, finish with wettest (baths/kitchen)
- ☐ Music/phone on silent; personal calls only on break
- ☐ Client belongings respected — nothing moved without permission

100% Cleaner — Professional from the first knock to the final walkthrough.
