

Deep Cleaning SOP

The Cleaning CEO Blueprint — 100% Cleaner Academy

Service type: Top-to-bottom detail clean

Target home: Up to 3 bedrooms, 2 bathrooms

Price reference: \$300

Time target: 4–6 hours (solo) | 3–4 hours (2-person team)

Purpose

Remove accumulated grime, buildup, and neglected areas. Deep cleans are for first-time clients, quarterly refreshes, pre-event prep, or homes that haven't been professionally cleaned in 60+ days.

Regular clean (\$150) maintains. Deep clean (\$300) restores.

Supplies Checklist

Everything from Regular Clean, plus:

- ☐ Degreaser (kitchen)
 - ☐ Calcium / lime remover (showers, faucets)
 - ☐ Grout brush or old toothbrush
 - ☐ Magic eraser or melamine sponge (spot test first)
 - ☐ Extendable duster + step stool
 - ☐ Steam cleaner (if equipped and trained — tile, grout, appliances)
 - ☐ Baseboard brush or flat mop edge tool
 - ☐ Vacuum crevice tool
 - ☐ Plastic scraper (sticker/gunk removal)
 - ☐ Heavy-duty bathroom scrubber
-

Pre-Job Setup (10 minutes)

- ☐ Confirm deep clean scope on work order (oven, fridge, baseboards, fans?)

- ☐ Inspect home; adjust time estimate if home exceeds 3 bed / heavy buildup
- ☐ Take before photos
- ☐ Identify surfaces that cannot get wet (unsealed wood, electronics)
- ☐ Pre-treat heavy areas (oven, shower) and let product dwell while you work elsewhere

Deep Clean Sequence

Phase	Area	Time Target
1	Ceiling fans, vents, cobwebs (top of home)	30–45 min
2	Bedrooms — detail dust + baseboards	25 min each
3	Living / dining — detail dust + baseboards	30 min
4	Bathrooms — full disinfect + grout/scum	35–45 min each
5	Kitchen — degrease + detail all surfaces	45–60 min
6	Baseboards — whole home	30–45 min
7	Interior windows (if in scope)	30 min
8	Floors — vacuum, edges, mop	30–45 min
9	Final inspection	10 min

Top-to-Bottom Rule

Always work **high to low** in each room:

- ☐ Ceiling corners and cobwebs
- ☐ Ceiling fans and light fixtures (dust/blades)
- ☐ Vents and return air grilles (wipe exterior)
- ☐ Wall art, shelves, ledges
- ☐ Furniture surfaces
- ☐ Baseboards
- ☐ Floor last

Full dusting technique: see Dusting SOP

Baseboards (Whole Home)

- ☐ Dry dust first with microfiber or vacuum brush attachment
 - ☐ Damp-wipe with all-purpose cleaner on a flat pad
 - ☐ Pay extra attention to kitchen, bathrooms, and entryways
 - ☐ Do not soak baseboards — wring cloth well on painted surfaces
-

Kitchen — Deep Scope

- ☐ Degrease range hood, backsplash, and stove area
- ☐ Clean stovetop burners/grates (remove if safe, soak if needed)
- ☐ Wipe all cabinet fronts, handles, and drawer pulls
- ☐ Clean inside microwave
- ☐ Detail sink, faucet, and disposal area
- ☐ Wipe small appliances on counter
- ☐ **Add-ons:** Inside oven (+\$40), inside refrigerator (+\$35)

Full procedure: see Kitchen SOP

Bathroom — Deep Scope

- ☐ Heavy soap scum removal on shower/tub (dwell time with appropriate product)
- ☐ Grout scrub where discolored
- ☐ Descale faucets and showerheads (exterior)
- ☐ Full toilet detail including base bolts and behind seat
- ☐ Clean inside vanity drawers **only if empty and in scope**
- ☐ Polish mirrors and chrome

Full procedure: see Bathroom SOP

Steam Cleaning (Where Applicable)

Use steam only if trained and client surfaces allow:

- ☐ Tile and grout (not unsealed natural stone)
- ☐ Shower glass (follow with squeegee)

- ☐ Stovetop grease (after degreaser pre-treat)
- ☐ Sanitize bathroom fixtures

Do NOT steam: unsealed wood, laminate with damaged seams, electronics, painted surfaces that peel, or areas with loose grout.

Buildup Targets (Deep Clean Only)

- ☐ Fingerprints on doors and switch plates (whole home)
 - ☐ Door frames and tops of doors
 - ☐ Window sills and tracks (reachable interior)
 - ☐ Under furniture edges (vacuum, don't move heavy furniture alone)
 - ☐ Light switch plates and outlet covers (wipe, don't remove)
 - ☐ Pet hair on furniture and baseboards
-

Quality Standards

Deep clean passes when:

- ☐ No visible dust on fans, vents, or high ledges
 - ☐ Baseboards are clean to the touch (no gray film)
 - ☐ Kitchen is degreased — no sticky residue on range area
 - ☐ Bathrooms: grout and glass show significant improvement
 - ☐ All regular-clean standards are also met
 - ☐ Client could photograph any room for a listing
-

Do NOT (Deep Clean)

- **✗** Promise same-day deep clean for 4+ bed homes without a walk-through
- **✗** Use abrasive pads on stainless steel, glass, or marble
- **✗** Steam without testing a hidden spot first
- **✗** Move heavy furniture alone — team lift or skip
- **✗** Strip wax or refinish floors — refer to specialist
- **✗** Clean mold larger than a postage stamp — document and notify client
- **✗** Rush baseboards — they define "deep" vs "regular" in the client's eyes

Upsell Notes for Your Team

If client loves the deep clean, offer recurring regular at \$150 every 2–4 weeks to maintain results.

100% Cleaner — Deep cleans build trust. Regular cleans build revenue.
