

Regular / Maintenance Cleaning SOP

The Cleaning CEO Blueprint — 100% Cleaner Academy

Service type: Standard maintenance clean

Target home: Up to 3 bedrooms, 2 bathrooms

Price reference: \$150

Time target: 2–3 hours (solo cleaner) | 1.5–2 hours (2-person team)

Purpose

Maintain a already-clean home between deep cleans. Focus on surfaces, floors, bathrooms, and kitchen reset — not heavy buildup or inside appliances.

Supplies Checklist

Bring before entering the home:

- ☐ All-purpose cleaner (pH-neutral preferred)
- ☐ Glass cleaner
- ☐ Bathroom disinfectant
- ☐ Microfiber cloths (8–12, color-coded)
- ☐ Scrub pads (non-scratch)
- ☐ Vacuum with hose attachment
- ☐ Mop + bucket OR flat mop system
- ☐ Duster / extendable duster
- ☐ Trash bags
- ☐ Gloves
- ☐ Shoe covers or indoor-only shoes
- ☐ Caddy or cleaning tote

Optional (if in scope): Furniture polish, stainless steel cleaner, pet hair roller

Pre-Job Setup (5 minutes)

- ☐ Review job notes, access instructions, and client preferences
- ☐ Confirm pets are secured and fragile items noted
- ☐ Take "before" photos if required by your company policy
- ☐ Set up caddy; load vacuum and mop last (exit order)
- ☐ Open windows or turn on ventilation if using strong products

Room Order (Top to Bottom, Back to Front)

Work **dry before wet, top before bottom, back of house toward exit.**

Order	Room / Area	Time Target
1	Master bedroom	20–25 min
2	Additional bedrooms	15 min each
3	Hallways & stairs	10 min
4	Living / dining / office	20–25 min
5	Bathrooms (see Bathroom SOP)	20–25 min each
6	Kitchen (see Kitchen SOP)	25–30 min
7	Floors — whole home (see Floor SOP)	20–30 min
8	Final walk-through	5 min

Standard Room Procedure (Bedrooms & Living Areas)

- ☐ Strip and remake beds **only if in scope** (most regular cleans: make beds only)
- ☐ Dust all reachable surfaces top to bottom (shelves, nightstands, TV stands, décor)
- ☐ Wipe light switches, door handles, and remotes
- ☐ Straighten pillows, fold throws, align furniture
- ☐ Empty trash; replace liner
- ☐ Spot-clean mirrors and glass surfaces
- ☐ Vacuum rugs and carpet edges; note hard floors for final mop pass

Kitchen — Regular Scope (Summary)

- ☐ Clear and wipe countertops
- ☐ Wipe exterior of appliances (fridge, microwave, dishwasher, stove top)
- ☐ Clean sink and faucet (disinfect)
- ☐ Wipe cabinet fronts (handles and touch points)
- ☐ Wipe dining table and chairs if in kitchen area
- ☐ **Do NOT** clean inside oven, fridge, or cabinets unless add-on purchased

Full procedure: see Kitchen SOP

Bathroom — Regular Scope (Summary)

- ☐ Disinfect toilet (inside bowl, seat, base, handle)
- ☐ Scrub sink, faucet, and counter
- ☐ Clean mirror (streak-free)
- ☐ Scrub shower/tub surfaces (soap scum as needed)
- ☐ Wipe exterior of vanity and fixtures
- ☐ Empty trash; replace liner
- ☐ Sweep and mop floor last in room

Full procedure: see Bathroom SOP

Quality Standards

A regular clean passes when:

- ☐ No visible dust on surfaces at eye level
 - ☐ Bathrooms smell fresh; fixtures shine, no hair in drains
 - ☐ Kitchen counters and sink are clear and wiped
 - ☐ Floors are vacuumed/mopped with no debris or sticky spots
 - ☐ Trash emptied in all rooms
 - ☐ Home looks "guest ready" — tidy, not sterile
-

Do NOT (Regular Clean)

- **✗** Move or reorganize client belongings without permission

- ❌ Use bleach on colored surfaces, wood, or marble
 - ❌ Mix cleaning chemicals (never mix bleach + ammonia)
 - ❌ Clean inside appliances unless add-on is on the work order
 - ❌ Rush floors — wet floors last, always
 - ❌ Leave product residue on stainless steel or glass
 - ❌ Skip gloves when handling trash or bathroom work
-

Final Walk-Through

- ☐ Reset thermostat, lights, and locks per client instructions
 - ☐ Return keys / lock door / mark job complete in app
 - ☐ Take "after" photos if required
 - ☐ Note any damage, pests, or maintenance issues for the client
