

Referral Program — 100% Cleaner

Turn happy clients into your best marketing channel.

Los Angeles Area | Regular Clean \$150 | Deep Clean \$300 | Booking Deposit \$25

Program Overview

The **100% Cleaner Referral Program** rewards existing clients who send new customers our way. Referrals are the highest-converting, lowest-cost leads for a local cleaning business — and they build trust before the first phone call.

Program tagline: *Love your clean home? Share the shine.*

How It Works

For the Referrer (Existing Client)

1. Share your unique referral code or link with friends, family, neighbors, or coworkers in the Los Angeles area.
2. When your referral books their **first paid service** and mentions your name or code at booking, both of you receive a reward.
3. Rewards are applied automatically to your next invoice or sent as a digital gift card within 5 business days of the referral's completed first clean.

For the New Client (Referral)

1. Book online or call _____ and mention the referrer's name or code: _____
2. Pay the standard **\$25 booking deposit** to secure the appointment.
3. Receive **\$25 off** their first service (Regular Clean \$150 → **\$125** | Deep Clean \$300 → **\$275**).
4. After their first clean, they receive their own referral code to share.

Reward Structure

Choose one model (or combine — customize before launch):

Option A — Dual Credit (Recommended)

Who	Reward	When
Referrer	\$25 account credit	After referral's first completed paid service
New Client	\$25 off first service	Applied at checkout when code is used

Economics: One new regular client at \$150 covers the \$50 total referral cost and still leaves \$100+ gross revenue on the first visit.

Option B — Tiered Referrer Rewards

Referrals Completed (lifetime)	Referrer Reward
1–2	\$25 credit each
3–5	\$35 credit each
6+	\$50 credit each + "VIP Referral Partner" status

Option C — Free Clean Milestone

- Refer **5 completed first-time clients** → receive **1 free Regular Clean (\$150 value)**
 - Refer **10 completed first-time clients** → receive **1 free Deep Clean (\$300 value)**
-

Official Program Rules

Eligibility

- **Referrer:** Must be a current or past 100% Cleaner client in good standing (no outstanding balance, no active dispute).
- **Referral:** Must be a **new client** who has never booked with 100% Cleaner before (verified by phone, email, and service address).
- **Service area:** Referral address must be within the 100% Cleaner service area (Greater Los Angeles — define your ZIP codes: _____).

Qualifying Actions

A referral is **qualified** when ALL of the following are true:

1. New client uses the referrer's code or name at **initial booking**
2. New client pays the **\$25 deposit**
3. New client completes their **first paid service** (Regular \$150, Deep \$300, or higher)
4. New client does not cancel or no-show

Non-Qualifying Referrals

Referrals do **not** qualify if:

- The new client was already in our CRM, quote pipeline, or marketing list
- The referral is a household member at the same service address as the referrer
- The booking is cancelled before service or the client no-shows
- The referrer's account has an outstanding balance at the time of reward issuance
- Fraud is suspected (self-referral, duplicate accounts, fake bookings)

Reward Limits

- Maximum **\$_____** in referral credits per referrer per calendar year (optional cap)
- Referral credits have **no cash value** and cannot be transferred or redeemed for cash
- Credits expire after **12 months** if unused (optional — disclose clearly)
- One referral reward per new household / service address

Stacking & Promotions

- Referral discount **cannot be combined** with other first-time promotions unless explicitly stated
 - Referrer credits apply to future services only, not the current invoice (unless you choose otherwise)
-

Referral Tracking System

Step 1 — Assign Unique Codes

Generate a simple, memorable code for each client:

Client Name	Referral Code	Link
-------------	---------------	------

Jane Smith	JANE25	100cleaner.com/book?ref=JANE25
Maria Garcia	MARIA25	100cleaner.com/book?ref=MARIA25

Code format suggestion: FIRSTNAME25 or LASTNAME100

Step 2 — Track in Your CRM

Create a referral tracking sheet or CRM fields:

Date	Referrer Name	Referrer Code	New Client Name	New Client Phone	Booking Date	Service Type	Service \$	Deposit \$	Service Completed?	Referrer Rewarded?	New Client Discount Applied?
------	---------------	---------------	-----------------	------------------	--------------	--------------	------------	------------	--------------------	--------------------	------------------------------

Step 3 — Automate Where Possible

- Add a **"How did you hear about us?"** field with "Referral" option on intake form
- Add a **"Referral code"** field at online checkout
- Trigger a thank-you text to the referrer when the referral's first clean is marked complete
- Send the new client their own referral code in the post-service follow-up email

Step 4 — Monthly Reconciliation

On the 1st of each month, review:

- Pending referrals (booked but not yet completed)
- Rewards owed vs. rewards issued
- Top referrers for personal thank-you outreach

Marketing the Referral Program

When to Introduce It

- **After the first clean** — client is happiest right after service
- In the **post-service thank-you text/email**
- On the **invoice/receipt**
- During **review requests** (after a 5-star review)
- On a **physical card** left after each clean (see Flyer & Door Hanger Copy)
